Re: Medical Staff - Assa Weinberg, M.D.

Dear Mr. Arolik:

The Executive Committee of the Board of Directors of Cedars-Sinai Medical Center unanimously approved the attached report from a Board Subcommittee at its meeting on July 29, 2002. As a result of this decision, I am advised that the Medical Executive Committee will reconsider the matter at its meeting of September 9, 2002 and report to the Board of Directors for a final decision on September 23, 2002.

Please advise your client accordingly.

Very truly yours,

CEDARS-SINAI MEDICAL CENTER

Peter E. Braveman
Senior Vice President for
Legal Affairs and General Counsel

MEMO to the Executive Committee
of the Board of Directors
July 29, 2002
Page 3

- v. meets the Medical Staff's Rules and Regulations requirements concerning appropriate medical record documentation; and
 - vi. meets the policy and procedures of Cedars-Sinai Medical Center regarding compliance with the documented end of life desires of his patients and their legal representatives.
- B. Review the matter further and provide a written response to the Board of Directors at the meeting of the Executive Committee of the Board that follows the next meeting of the MEC.

Respectively Submitted,
